

PROFESSIONAL
Construction Services (Pvt.) Ltd.

Our Mission

To Cultivate an organization that actively encourages us to be the best of who we are and continuously strives to make a difference in the lives of people, society and Our Country by providing heartfelt value to our Clients, Consultants, Architects and rewarding careers for our staff members.

Engr. M. Sadiq Qamar
C.E.O

Profile

We have been in the construction business since 1998, and then Professional Construction Services. (PCS) was established in year 2003. From day one we built a reputation on commitment, integrity, transparency and team work. These values remain true today and are the reason **Professional Construction Services** were able to achieve the status of a **Private Limited Company** in year 2009. It has been and will keep providing comprehensive construction services with continuous and matchless quality end products.

Our ability to deliver on our commitment is evident in our exceptional level of repeat business. We always strive to achieve high standards of quality construction at most competitive rates by enforcing quality control measures, cost effective methods and proper use of latest tools and technologies.

PCS is determined to build a better Pakistan for better quality of Life.

*PCS has the people, equipment, construction materials,
experience and bonding capacity to complete
Any project on budget, on time, every time.*

Our Services. Service is our passion; people our strength

PCS has been providing comprehensive construction solutions with continuous escalation and matchless quality in the following construction fields.

- a) All kinds of Civil Works
 - i) Apartments and Residential Buildings.
 - ii) Hotels and Hostel Buildings.
 - iii) Schools & College Buildings.
 - iv) Hospitals & Auditoriums.
 - v) Industrial & Commercial Buildings etc.
- b) Concrete Structures.
- c) Steel Structures.
- d) Rehabilitation of Buildings.
- e) Public Health Works.
- f) Electrical Works.
- g) Waste water plants.
- h) Fire Fighting Systems
- i) Infrastructure development

Our Quality Policy

PCS aims to deliver matchless and value adding construction services for all of our client's to fulfil their needs and aspirations.

We make all of our efforts in order to achieve high standards of quality by enforcing quality control measures, cost effective methods and proper use of latest tools and technology.

We are - growing day by day.

We are - improving day by day.

Our Safety Policy

We believe that prevention of accidents is both our moral obligation and an integral part of good business. We recognize that the protection of our employees, the public and the environment, are essential for the success of every construction project, we undertake. We are making efforts to achieve the goal of ZERO ACCIDENTS.

Our Core Values

1) Commitment

We are definitely careful while making commitments and act hard to achieve our goals. We want the client to feel that our staff is more committed to the efforts, that's what distinguishes us.

2) Transparency

PCS Believes in transparency at all levels. We do the right thing and our business is based on transparency.

3) Team Work

We work with our respected Clients/Consultants as a team. Mutual respect provides the foundation for our success. We are TOGETHER for great goals.

Our Pride

PCS always hits the bull's eye on quality, on budget, on time, every time.

Code of Conduct

Professional Construction Service's core values represent where we are, how we treat each other, how we deal with our customers, how we respond to our stakeholder, how we hold each other and ourselves accountable. It is the standard behavior by which we conduct business. These values are the heart, soul and character of PCS. This is the legacy we will leave for generations to come.

The following eight ethical core values represent the cornerstone of our code of conduct. While achieving these high standards, they may be difficult to attain but certainly not impossible, we aspire to lead our lives and conduct our business with:

1. COMMITMENT

- Only make realistic commitments and follow-through on the commitments you make.
- Be prompt and responsive in business dealings with in and outside the company.

2. HONESTY

- Be truthful, accurate and straightforward.
- Be honest to yourself, always work hard and stay committed to your goals.

3. INTEGRITY

- Maintain consistency between your beliefs and your behavior- *Walk your talk.*
- Have the courage to contend boldly for that which is right and reject firmly that which is wrong.

4. FAIRNESS

- Endeavor to be reasonable, open-minded, impartial, even-handed and non-discriminatory in all your dealings.
- Maintain without deviation, an attitude of sincerity, tolerance, consideration and assistance towards others, regardless of their position.

Code of Conduct

5. ACCOUNTABILITY

- Accept responsibility for your own actions or inactions and for those whom you supervise.
- Promote coherent team work by holding each other accountable.

6. CONSIDERATION OF OTHERS

- Respect the dignity, rights, safety and opinions of others.
- Try to be a part of the solution...not the problem.

7. CITIZENSHIP

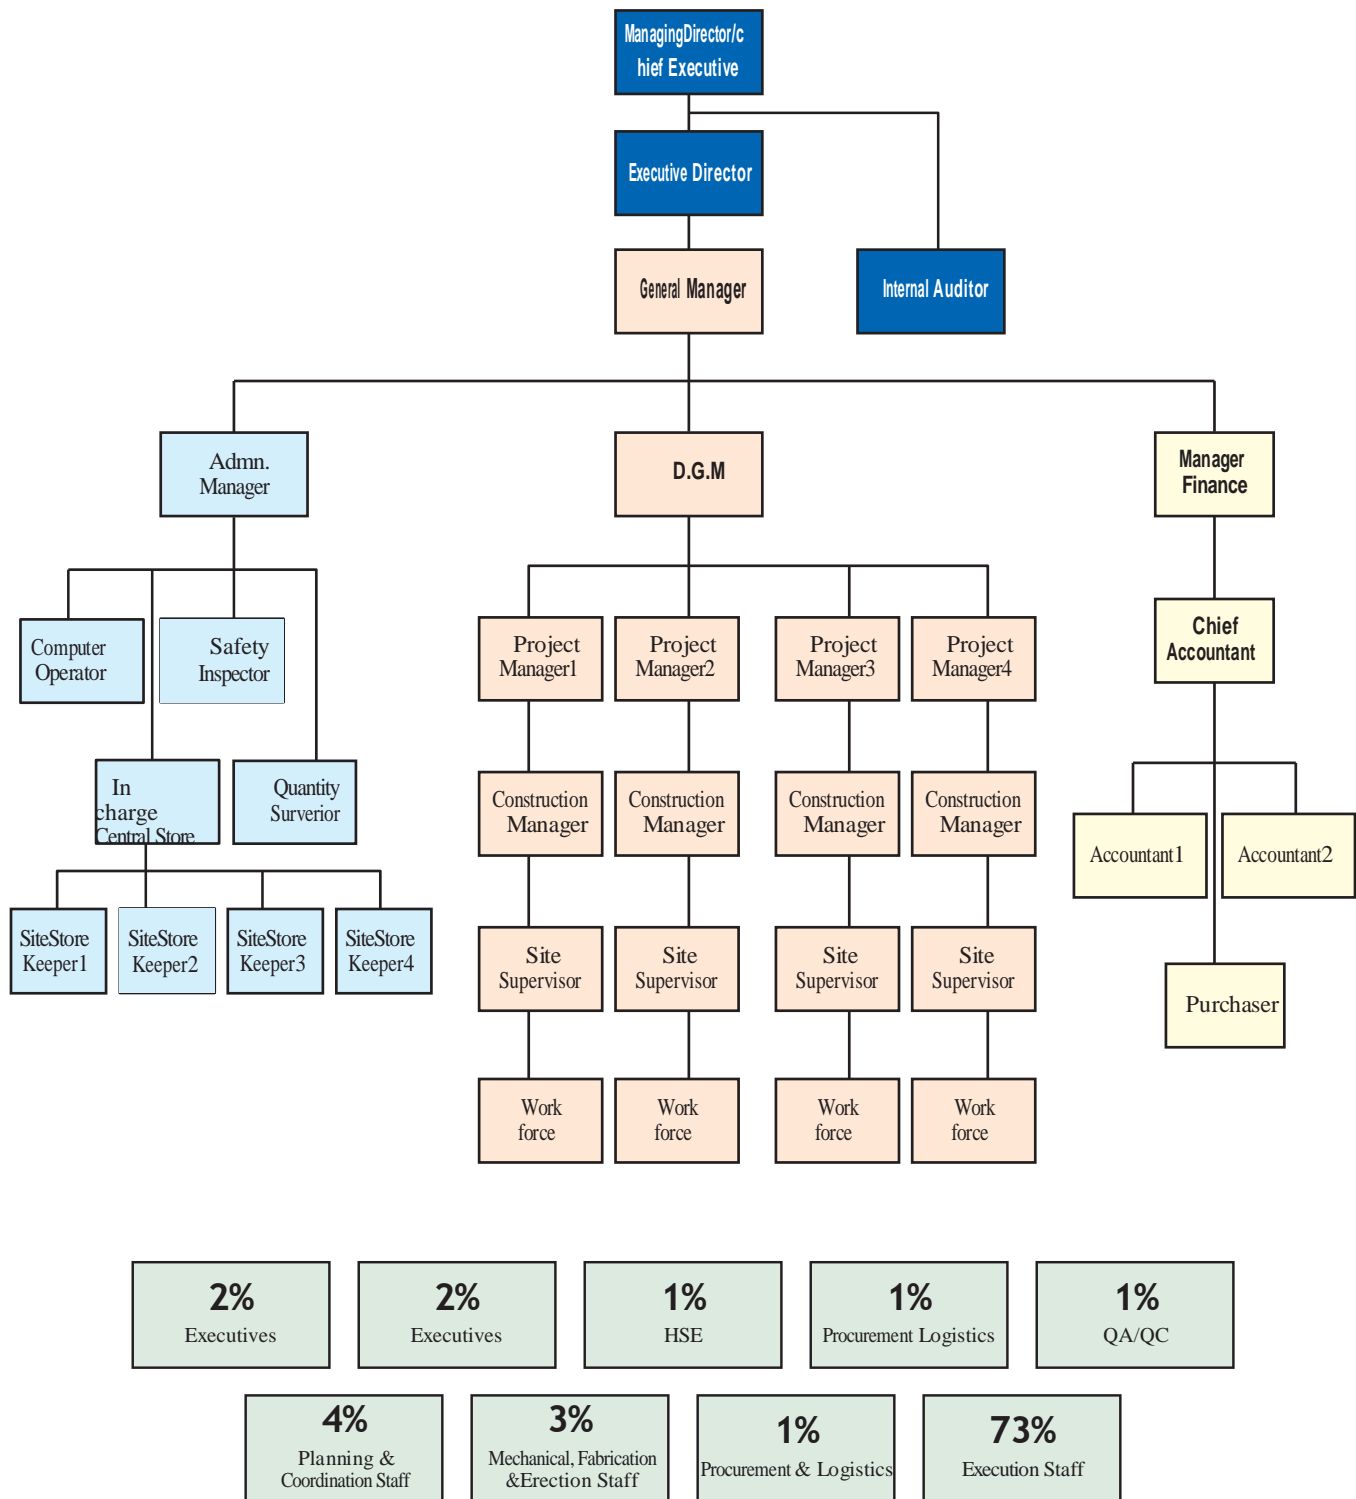

- Comply with all government laws, rules and regulations.
- Show consideration for the safety and welfare of every one including our natural environment.

8. TEAM WORK

- We recognize our primary asset is **people**. To be successful, PCS must be a rewarding place to work in. We work with our clients and consultants as a team and we call them as our '**respected friends**'.

We plan and act for the future-for the long term good of our company, and our clients.

Dr. Parvez Hassan Environmental Law Centre

It gives me great pleasure to record my complete satisfaction with respect to the construction of the Dr. Parvez Hassan Environmental Law Centre at the Punjab University by Professional Builders. Professional Builders was the lowest bidder for this project and the contract was awarded to it on the recommendation of the Consultants, Republic Engineering Corporation, and the Architect, Mr. Nayyar Ali Dada.

The energetic and dynamic partner of Professional Builders, Mr. Sadiq Qamar, took to the project with unprecedented dedication, integrity and commitment. It was a pleasure to work with him over the last several months when I was over-awed by his complete professionalism and tireless energy. I would visit the site, at least in the earlier phases of construction at odd times and, sometimes in the early hours of the morning on return from a foreign trip, and I would invariably find Mr. Sadiq Qamar working with a group of his workmen, always motivating them and always developing a coherent team-work. It was this leadership that made it possible for him to hit the bull's eye on cost and time schedule. I am pleased to share his pride that he completed a project covering over 15,000 square feet and involving the construction of an auditorium of over 5,500 square feet with the ceiling as high as thirty (30) feet, all involving complicated scaffolding, in a record period, as committed by them, of eight (8) months.

I have great pleasure in recommending Professional Builders for any project, irrespective of its construction complexities, and I can assure integrity and devotion to any such job that Professional Builders will accept. The lucky part, for any such future project, will be the personal involvement of Mr. Sadiq Qamar.

With best regards.

Very truly yours,

Dr. Parvez Hassan

LETTER OF APPRECIATION

CONSTRUCTION OF "SHAIKH AHMAD HASSAN SCHOOL OF LAW" BUILDING
AT LUMS CAMPUS

Dear Sir,

The building of Shaikh Ahmad Hassan School of Law at LUMS Campus has been completed and the civil work carried out for this building by Professional Construction Services (Pvt) Limited (PCS) was of good quality. Thus civil work executed by PCS is of an optimum level of satisfaction to the National Management Foundation (NMF). We, at NMF appreciate the good quality work and enthusiasm shown by PCS during the construction of Shaikh Ahmad Hassan School of Law building. This appreciation also goes to the Technical Staff of PCS. It is pertinent to mention here that timeline achieved by PCS was also a landmark for this project.

We expect that in future PCS will be executing all the awarded projects even better than this one.

Thanks & Regards.
